

NSP Crime Laboratory Special Report: Suspension of Explosives Testing Services

Attention: All Law Enforcement & Prosecuting Attorneys

Due to the retirement of a forensic scientist in the Trace Evidence Section, the Nebraska State Patrol Crime Laboratory is **suspending explosives testing services.**

This temporary suspension of services will be effective starting
October 11, 2017.

A notification will be sent when explosives testing resumes.

If you have any questions regarding this temporary suspension in services, feel free to contact the Nebraska State Patrol Crime Laboratory:

(M) 402-471-8950

We are sorry for any inconvenience this may cause.

Pam Zilly, Crime Laboratory Director
Nebraska State Patrol Crime Laboratory
