WHAT IS APTA HEALTH?

Dear Apta Health Member,

Congratulations! You are a member of an exciting new way of managing your healthcare. Your employer has chosen Apta Health to bring amazing benefits that are usually reserved for Fortune 500 Companies to its employees. The Apta Health program brings together some of the best healthcare vendors in the country and combines them into a single package to help you get the best care at the best prices.

Care Coordination is at the heart of our program. This unique approach to healthcare allows you access to a real, live person to talk to about your health concerns and is available **completely free of charge** whenever you need help. Think of your Care Coordinators as healthcare warriors that will fight for you to make sure you get the best care possible! They are based in Ohio, USA and available Monday through Friday, 8:30 AM to 10:00 PM Eastern Time. You can call them for anything from replacing a lost ID card, to help finding an in-network physician, to help with an upcoming medical procedure, and questions or issues with your medical bills. They are also available through your company's custom web portal, or through the MyQHealth App on the Apple App Store or Google Play. Your Care Coordinators are the best place to start whenever you have questions or need help.

Apta Health includes the standard components that you would expect from a healthcare program like a network of doctors and hospitals as well as prescription drug insurance. Your company may also choose additional components that further enhance your coverage. These additional components are included and explained in this benefit guide.

The great news is that your care coordinators are trained experts in all your benefits and will guide you through your benefit decisions. Your care coordinators will help you move along your healthcare journey and make the process as smooth as possible.

We hope you will enjoy your healthcare benefits and wish you a happy and healthy year!

Sincerely,

The Apta Health Team

ENROLLMENT GUIDELINES

Welcome to the 2023 Benefits Guide for State Law Enforcement Bargaining Council. This Guide provides a quick overview of the benefits program and helps to remove confusion that sometimes surrounds Employee benefits. The benefits program was structured to provide comprehensive coverage for you and your family. Benefit programs provide a financial safety net in the event of unexpected and potentially catastrophic events.

ELIGIBILITY

You are eligible to enroll in the benefits program if you are a:

- State Trooper through the rank of Sergeant working 120 hours in a 28-day period
- Game & Park Conservation Officer working 120 hours in a 28-day period
- Fire Marshal Inspector working 30 hours in a 7-day period
- Fire Marshal Investigator working 60 hours in a 14-day

Benefits for newly hired members will take effect the first of the month following your sworn in date or 30 calendar days of qualified employment. Your legally recognized spouse and your dependent children (less than 26 years of age) are eligible for medical, dental, and vision coverage. Unmarried disabled children over age 26 may be eligible to continue benefits after approval of necessary applications.

OPEN ENROLLMENT

Open enrollment for health, dental and vision is once a year and benefit elections will take effect January 1st. Participants may add or drop coverage or make changes to their coverage at this time. Late entrants (employees or dependents who apply for coverage more than 30 days after the date of individual eligibility) are also provided an opportunity to enroll for coverage during the plan's open enrollment. The elections you make stay in effect the entire plan year, unless a qualifying life event occurs.

QUALIFYING LIFE EVENTS

Generally, you can only change your benefit elections during the annual Open Enrollment period. However, you may make changes during the plan year if you have a qualifying event.

Qualifying events include:

- Marriage
- Divorce
- Birth
- Adoption
- Death
- Loss of Coverage

Under the medical plan, Open Enrollment under your spouse's group plan will also be considered a qualifying event.

When you have a qualifying event, you have 30 days to complete and return a new enrollment/change form for health, dental, and/or vision coverage. You may be asked to provide proof of the change and/or proof of eligibility. (You have 60 days to complete and return a new enrollment/change form after coverage under Medicaid or CHIP terminates.)

GLOSSARY OF TERMS

The following terms will help you better understand your benefits.

Co-pay: A Copay is the portion of the Covered Expense that is your responsibility, as shown in the Medical Schedule of Benefits. A Copay is applied for each occurrence of such covered medical service and is not applied toward satisfaction of the Deductible.

Deductible: A Deductible is the total amount of eligible expenses as shown in the Medical Schedule of Benefits, which must be Incurred by you during any Calendar Year before Covered Expenses are payable under the Plan.

Coinsurance: Coinsurance is the percentage of eligible expenses the Plan and the Covered Person are required to pay.

Out-of-Pocket Maximum (OOPM): An Out-of-Pocket Maximum is the maximum amount you and/or all of your family members will pay for eligible expenses Incurred during a Calendar Year before the percentage payable under the Plan increases to 100%.

PPO (Preferred Provider Organization): This type of plan utilizes network and non-network benefits.

In-Network: The Plan offers a broad network of providers and provides the highest level of benefits when Covered Persons utilize “in-network” providers. These networks will be indicated on your Plan identification card.

Out-of-Network: Any non-contracted providers. The services from these providers are subject to balance billing, meaning members can be billed for the difference between the insurance carrier's fee schedule and the billed charges.

REFERRAL PROCESS FOR A SPECIALIST

COORDINATE YOUR CARE THROUGH YOUR PRIMARY CARE PHYSICIAN (PCP)

- Obtain a referral from your PCP before seeing a specialist to save money on member out-of-pocket costs and get alerts for not fully covered benefits
- Helps avoid visits to the wrong specialist
- Helps avoid referrals to an out-of-network specialist
- Get in to see specialist faster
- All referrals obtained are valid for 12 months.
- The PCP must provide the referral to the Care Coordinators.

PRE-CERTIFICATION

Before you receive certain medical services or procedures, your health plan requires a doctor to confirm that these requested services are considered medically necessary under your plan. This verification process is called "pre-certification." Even if some services or therapies are performed in your doctor's office, you may still need a pre-certification. Pre-certification requests must be submitted by your physician directly to the Apta Care Coordinators.

SERVICES REQUIRING PRE-CERTIFICATION

Inpatient Hospitalizations & Skilled Nursing Facility Admissions	Home Health Care and Services	Oncology Care & Services (chemotherapy, radiation therapy, etc.)	MRI's, MRA's and PET Scans
Hospice Care	Dialysis	Transplants – Organ and Bone Marrow	Durable Medical Equipment (DME) purchases over \$1500 and all rentals
Out-Patient Surgeries (includes Colonoscopies)			

- A \$500 penalty will be applied for all services rendered that do not have pre-certification completed.

WHAT IS TELEMEDICINE & TELEHEALTH?

With the onset of Covid-19, telehealth has become an increasingly popular way for individuals to receive medical treatment and diagnosis without visiting a physical, clinical location such as a doctor's office or hospital.

Telemedicine and telehealth are sometimes used interchangeably to describe both clinical and non-clinical interactions with health professionals through technology. While telemedicine focuses on remote clinical assistance, telehealth also includes educational and non-clinical remote interactions through the use of various technologies such as webcams, apps, and mobile devices.

Telemedicine and telehealth provide options for meeting virtually with a healthcare provider when you are not feeling well. Using technology and apps, it is now easier than ever to meet with a physician from your home, office, or while traveling. Additionally, physicians are available outside of normal business hours and on weekends.

Meeting with a doctor through an app like Doctor on Demand is very similar to visiting your primary care physician in an office, except your interactions with the physician are through your mobile device. The doctor can give you a diagnosis based on your symptoms and even provide a prescription that can be picked up from your local pharmacy.

You can contact a doctor at any time using this benefit and there is no need to contact your care coordinator prior to using this service. We recommend you download the app to your phone now so that you can use this option when needed. More information is available on the next page.

*Dentists who have signed a participating network agreement with Delta Dental have agreed to accept the maximum allowable fee as payment in full. Non-participating dentists have not signed an agreement and are not obligated to limit the amount they charge; the member is responsible for paying any difference to the non-participating dentists.

You and your family members may visit any licensed dentist, but will receive the greatest out-of-pocket savings if you see a Delta Dental PPO dentist. There are three levels of dentists to choose from.

PPO Dentist: Payment is based on the PPO dentist's allowable fee, or the actual fee charged, whichever is less.

Premier Dentist: Payment is based on the Premier Maximum Plan Allowance (MPA), or the fee actually charged, whichever is less.

Non-Participating Dentist: Payment is based on the 90th percentile of Reasonable & Customary (R&C) charges, or the actual fee charged, whichever is less.

Delta Dental PPO Plus Premier™

Delta Dental is proud to offer both Delta Dental PPO™ and Delta Dental Premier® networks: the unique dual network known as Delta Dental PPO Plus Premier™. This gives members the opportunity to choose from a broader selection of dentists. No other national dental carrier can match the breadth of our network or the value we provide.

Delta Dental PPO™

Delta Dental PPO™ is one of the nation's largest dental networks with more than 113,500 in-network dentists. This network is available to any employer group and offers additional savings to patients with options for enhanced benefits and lower out-of-pocket costs.

Delta Dental Premier®

Delta Dental Premier® is the largest dental network in the country with more than 155,000 in-network dentists. In fact, more than four-out-of-five dentists in the nation have agreed to accept Delta Dental's pre-negotiated fees for dental procedures.

There are advantages—and cost savings—for seeking treatment from a Delta Dental in-network dentist:

- The dentist has agreed to accept our allowable charge as payment in full for covered dental care. An in-network dentist is not allowed to bill more than our allowable charge.
- A Delta Dental in-network dentist will also file the claim directly with us. We will make payment directly to the in-network dentist and you will receive an explanation of benefits detailing your financial responsibility for any deductible or coinsurance amounts.

If dental services are received from an out-of-network dentist:

Reimbursement for the services will be paid directly to you, and you are responsible for paying your dentist. The allowances for services you receive from an out-of-network dentist may be significantly less than what Delta Dental would pay a Delta Dental in-network dentist. You may pay more out of pocket and will be responsible for the full-billed amount.

How to verify that your dentist is a Delta Dental in-network dentist:

By checking with your dentist or Delta Dental Customer Service (see the back of your ID card for the phone number), you are assured that your dentist is currently participating in the network. Consult your benefit booklet for more information regarding your specific plan design. We suggest you verify a dentist's participation status with Delta Dental or your dental office before each appointment.

It's easy to see if your dentist participates in the Delta Dental PPO™ or Delta Dental Premier® network. Use our Find a Dentist tool at [DeltaDentalNE.org](https://www.DeltaDentalNE.org) or call Customer Service at 1-800-448-3815.

Help protect your loved ones from financial hardship.

Life insurance coverage is designed to help provide financial support and stability to your family should you pass away. You can also cover your eligible spouse and child(ren).
Accidental Death & Dismemberment (AD&D) insurance provides an extra layer of protection if you die or become dismembered in an accident.

This plan offers:

- Competitive group rates
- The convenience of payroll deductions
- Benefits if you are dismembered, become terminally ill or die

How Much Can I Apply For?

Your combined Basic Life and Additional Life amounts cannot exceed a maximum of 6 times your annual earnings. The coverage amount for your spouse cannot exceed 50% of your Additional Life coverage.

- For You: \$10,000 to \$300,000 in increments of \$10,000
- For Your Spouse: \$5,000 to \$150,000 in increments of \$5,000
- For Your Child(ren): \$10,000

What is the Guarantee Issue Maximum?

Depending on your eligibility, this is the maximum amount of coverage you may apply for during initial enrollment without answering health questions.

- For You: Up to \$100,000
- For Your Spouse: Up to \$25,000
- For Your Child(ren): \$10,000

What does My AD&D Benefit Provide?

If you elect AD&D insurance coverage, the benefit amount is the same as the Additional Life insurance benefit.

This benefit is available for employee elections but not for Spouse or Children

Waiver of Premium

Your Basic and Additional Life premiums may be waived if you:

- Become totally disabled while insured under this plan
- Are under age 60, and
- Complete a waiting period of 180 days

If these conditions are met, your Basic and Additional Life insurance coverage may continue without cost until age 65, provided you give us satisfactory proof that you remain totally disabled.

Conversion

If your insurance reduces or ends, you may be eligible to convert your existing Life insurance to an individual life insurance policy without submitting proof of good health, as long as you apply within 30 days of termination.

How Much Your Insurance Costs

Your Basic Life insurance is paid for by the State of Nebraska through the State Law Enforcement Bargaining Council. If you choose to purchase Additional Life coverage, you'll have access to competitive group rates, which may be more affordable than those available through individual insurance. You'll also have the convenience of having your premium deducted directly from your paycheck. How much your premium costs depends on a number of factors, such as your age and the benefit amount.

If you buy coverage for your spouse, the monthly rate is \$0.160 per \$1,000.

If you buy Dependents Life coverage for your child(ren), your monthly rate is \$0.200 per \$1,000, no matter how many children you're covering.

Age (as of May 1, 2017)	Your Rate (per \$1,000 of Total Coverage)
<30	\$0.081
30–34	\$0.084
35–39	\$0.096
40–44	\$0.144
45–49	\$0.206
50–54	\$0.351
55–59	\$0.577
60–64	\$0.784
65–69	\$1.395
70–74	\$3.042
75+	\$11.535

Use this formula to calculate your premium payment:

$$\frac{\text{Enter the amount of coverage you are requesting}}{\div 1000} \times \text{Enter your rate from the rate table below} = \text{This amount is an estimate of how much you would pay each month.}$$

If you elect AD&D insurance with your Additional Life insurance, your monthly AD&D rate is \$0.060 per \$1,000 of AD&D benefit added to the above rates.

For Full Rate Tables, refer to your enrollment packet or contact Tara Johnson, SLEBC Office Administrator.

FLEXIBLE SPENDING ACCOUNT (FSA)

The General-Purpose Health Flexible Spending Account allows you to set aside up to \$3,050 in pre-tax dollars to pay most out-of-pocket medical, dental or vision expenses not paid by insurance; including deductibles and copayments. Please refer to the next page for a list of eligible expenses or refer to the most recent version of IRS publication 502.

You decide how much to deposit into your account. Your election amount is evenly deducted pre-tax from your paycheck throughout the plan year. When you have an expense that qualifies, you pay the bill, submit a claim, and you are reimbursed with tax-free dollars from your account.

If you don't use all the pre-tax dollars you deposited in your account(s), you will forfeit any balance in the account(s) at the end of the plan year. You have 90 days after the plan year ends to submit claims for expenses incurred during that plan year.

Dependent Care Account

The Dependent Care account allows you to set aside tax-free dollars to pay for qualified dependent care expenses, such as daycare, that you would normally pay with after-tax dollars. Qualified dependents include children under age 13 and/or dependents who are physically or mentally unable to care for themselves. How We May Use and Disclose Your Protected Health Information

Under the law, we may use or disclose your protected health information under certain circumstances without your permission. The following categories describe the different ways that we may use and disclose your protected health information. For each category of uses or disclosures we will explain what we mean and present some examples. Not every use or disclosure in a category will be listed. However, all of the ways we are permitted to use and disclose information will fall within one of the categories.

For Treatment. We may use or disclose your protected health information to facilitate medical treatment or services by providers. We may disclose medical information about you to providers, including doctors, nurses, technicians, medical students, or other hospital personnel who are involved in taking care of you. For example, we might disclose information about your prior prescriptions to a pharmacist to determine if prior prescriptions contraindicate a pending prescription.

For Payment. We may use or disclose your protected health information to determine your eligibility for Plan benefits, to facilitate payment for the treatment and services you receive from health care providers, to determine benefit responsibility under the Plan, or to coordinate Plan coverage. For example, we may tell your health care provider about your medical history to determine whether a particular treatment is experimental, investigational, or medically necessary, or to determine whether the Plan will cover the treatment. We may also share your protected health information with a utilization review or precertification service provider. Likewise, we may share your protected health information with another entity to assist with the adjudication or subrogation of health claims or to another health plan to coordinate benefit payments.

For Health Care Operations. We may use and disclose your protected health information for other Plan operations. These uses and disclosures are necessary to run the Plan. For example, we may use medical information in connection with conducting quality assessment and improvement activities; underwriting, premium rating, and other activities relating to Plan coverage; submitting claims for stop-loss coverage; conducting or arranging for medical review, legal services, audit services, and fraud and abuse detection programs; business planning and development such as cost management; and business management and general Plan administrative activities. However, we will not use your genetic information for underwriting purposes.

Treatment Alternatives or Health-Related Benefits and Services. We may use and disclose your protected health information to send you information about treatment alternatives or other health-related benefits and services that might be of interest to you.

To Business Associates. We may contract with individuals or entities known as Business Associates to perform various functions on our behalf or to provide certain types of services. In order to perform these functions or to provide these services, Business Associates will receive, create, maintain, transmit, use, and/or disclose your protected health information, but only after they agree in writing with us to implement appropriate safeguards regarding your protected health information. For example, we may disclose your protected health information to a Business Associate to process your claims for Plan benefits or to provide support services, such as utilization management, pharmacy benefit management, or subrogation, but only after the Business Associate enters into a Business Associate contract with us.

As Required by Law. We will disclose your protected health information when required to do so by federal, state, or local law. For example, we may disclose your protected health information when required by national security laws or public health disclosure laws.

To Avert a Serious Threat to Health or Safety. We may use and disclose your protected health information when necessary to prevent a serious threat to your health and safety, or the health and safety of the public or another person. Any disclosure, however, would only be to someone able to help prevent the threat. For example, we may disclose your protected health information in a proceeding regarding the licensure of a physician.

To Plan Sponsors. For the purpose of administering the plan, we may disclose to certain employees of the Employer protected health information. However, those employees will only use or disclose that information as necessary to perform plan administration functions or as otherwise required by HIPAA, unless you have authorized further disclosures. Your protected health information cannot be used for employment purposes without your specific authorization.

Special Situations

In addition to the above, the following categories describe other possible ways that we may use and disclose your protected health information without your specific authorization. For each category of uses or disclosures, we will explain what we mean and present some examples. Not every use or disclosure in a category will be listed. However, all of the ways we are permitted to use and disclose information will fall within one of the categories.

Organ and Tissue Donation. If you are an organ donor, we may release your protected health information after your death to organizations that handle organ procurement or organ, eye, or tissue transplantation or to an organ donation bank, as necessary to facilitate organ or tissue donation and transplantation.

Military. If you are a member of the armed forces, we may release your protected health information as required by military command authorities. We may also release protected health information about foreign military personnel to the appropriate foreign military authority.

Workers' Compensation. We may release your protected health information for workers' compensation or similar programs, but only as authorized by, and to the extent necessary to comply with, laws relating to workers' compensation and similar programs that provide benefits for work-related injuries or illness.

We are also required, when requested, to provide you with an accounting of most disclosures of your protected health information if the disclosure was for reasons other than for payment, treatment, or health care operations, and if the protected health information was not disclosed pursuant to your individual authorization.

Other Disclosures

Personal Representatives. We will disclose your protected health information to individuals authorized by you, or to an individual designated as your personal representative, attorney-in-fact, etc., so long as you provide us with a written notice/authorization and any supporting documents (i.e., power of attorney). Note: Under the HIPAA privacy rule, we do not have to disclose information to a personal representative if we have a reasonable belief that:

This includes mail relating to the employee's spouse and other family members who are covered under the Plan and includes mail with information on the use of Plan benefits by the employee's spouse and other family members and information on the denial of any Plan benefits to the employee's spouse and other family members. If a person covered under the Plan has requested Restrictions or Confidential Communications (see below under "Your Rights"), and if we have agreed to the request, we will send mail as provided by the request for Restrictions or Confidential Communications.

Authorizations. Other uses or disclosures of your protected health information not described above will only be made with your written authorization. For example, in general and subject to specific conditions, we will not use or disclose your psychiatric notes; we will not use or disclose your protected health information for marketing; and we will not sell your protected health information, unless you give us a written authorization. You may revoke written authorizations at any time, so long as the revocation is in writing. Once we receive your written revocation, it will only be effective for future uses and disclosures. It will not be effective for any information that may have been used or disclosed in reliance upon the written authorization and prior to receiving your written revocation.

Your Rights You have the following rights with respect to your protected health information:

Right to Inspect and Copy. You have the right to inspect and copy certain protected health information that may be used to make decisions about your Plan benefits. If the information you request is maintained electronically, and you request an electronic copy, we will provide a copy in the electronic form and format you request, if the information can be readily produced in that form and format; if the information cannot be readily produced in that form and format, we will work with you to come to an agreement on form and format. If we cannot agree on an electronic form and format, we will provide you with a paper copy.

To inspect and copy your protected health information, you must submit your request in writing to Human Resources. If you request a copy of the information, we may charge a reasonable fee for the costs of copying, mailing, or other supplies associated with your request.

We may deny your request to inspect and copy in certain very limited circumstances. If you are denied access to your medical information, you may request that the denial be reviewed by submitting a written request to Human Resources.

Right to Amend. If you feel that the protected health information we have about you is incorrect or incomplete, you may ask us to amend the information. You have the right to request an amendment for as long as the information is kept by or for the Plan.

To request an amendment, your request must be made in writing and submitted to Tara Johnson at PO Box 6729, Lincoln, Nebraska 68506. In addition, you must provide a reason that supports your request.

We may deny your request for an amendment if it is not in writing or does not include a reason to support the request. In addition, we may deny your request if you ask us to amend information that:

- is not part of the medical information kept by or for the Plan;
 - was not created by us, unless the person or entity that created the information is no longer available to make the amendment;
 - is not part of the information that you would be permitted to inspect and copy; or
 - is already accurate and complete.
- If we deny your request, you have the right to file a statement of disagreement with us and any future disclosures of the disputed information will include your statement.

Right to an Accounting of Disclosures. You have the right to request an "accounting" of certain disclosures of your protected health information. The accounting will not include (1) disclosures for purposes of treatment, payment, or health care operations; (2) disclosures made to you; (3) disclosures made pursuant to your authorization; (4) disclosures made to friends or family in your presence or because of an emergency; (5) disclosures for national security purposes; and (6) disclosures incidental to otherwise permissible disclosures.

To request this list or accounting of disclosures, you must submit your request in writing to Human Resources. Your request must state the time period you want the accounting to cover, which may not be longer than six years before the date of the request. Your request should indicate in what form you want the list (for example, paper or electronic). The first list you request within a 12-month period will be provided free of charge. For additional lists, we may charge you for the costs of providing the list. We will notify you of the cost involved and you may choose to withdraw or modify your request at that time before any costs are incurred.

Right to Request Restrictions. You have the right to request a restriction or limitation on your protected health information that we use or disclose for treatment, payment, or health care operations. You also have the right to request a limit on your protected health information that we disclose to someone who is involved in your care or the payment for your care, such as a family member or friend. For example, you could ask that we not use or disclose information about a surgery that you had.

Except as provided in the next paragraph, we are not required to agree to your request. However, if we do agree to the request, we will honor the restriction until you revoke it or we notify you.

We will comply with any restriction request if (1) except as otherwise required by law, the disclosure is to a health plan for purposes of carrying out payment or health care operations (and is not for purposes of carrying out treatment); and (2) the protected health information pertains solely to a health care item or service for which the health care provider involved has been paid in full by you or another person.

To request restrictions, you must make your request to Human Resources at 402-489-2081. In your request, you must tell us (1) what information you want to limit; (2) whether you want to limit our use, disclosure, or both; and (3) to whom you want the limits to apply—for example, disclosures to your spouse.

Right to Request Confidential Communications. You have the right to request that we communicate with you about medical matters in a certain way or at a certain location. For example, you can ask that we only contact you at work or by mail. To request confidential communications, you must make your request to Human Resources at 402-489-2081. We will not ask you the reason for your request. Your request must specify how or where you wish to be contacted. We will accommodate all reasonable requests.

Right to Be Notified of a Breach. You have the right to be notified in the event that we (or a Business Associate) discover a breach of unsecured protected health information.

Right to a Paper Copy of This Notice. You have the right to a paper copy of this notice. You may ask us to give you a copy of this notice at any time. Even if you have agreed to receive this notice electronically, you are still entitled to a paper copy of this notice.

To obtain a paper copy of this notice, contact Human Resources at 402-489-2081.

Complaints. If you believe that your privacy rights have been violated, you may file a complaint with the Plan or with the Office for Civil Rights of the United States Department of Health and Human Services. To file a complaint with the Plan, contact Human Resources at 402-489-2081 or PO Box 6729, Lincoln, Nebraska 68506. All complaints must be submitted in writing. You will not be penalized, or in any other way retaliated against, for filing a complaint with the Office for Civil Rights or with us.

New Health Insurance Marketplace Coverage Options and Your Health Coverage

Form Approved
OMB No. 1210-0149
(expires 6-30-2023)

PART A: General Information

When key parts of the health care law take effect in 2014, there will be a new way to buy health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace and employment-based health coverage offered by your employer.

What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through the Marketplace begins in October 2013 for coverage starting as early as January 1, 2014.

Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer's health plan. However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.5% of your household income for the year, or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit.¹

Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution -as well as your employee contribution to employer-offered coverage- is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

How Can I Get More Information?

For more information about your coverage offered by your employer, please check your summary plan description or contact Tara Johnson at 402-489-2081..

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit HealthCare.gov for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

¹ An employer-sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs.

PART B: Information About Health Coverage Offered by Your Employer

This section contains information about any health coverage offered by your employer. If you decide to complete an application for coverage in the Marketplace, you will be asked to provide this information. This information is numbered to correspond to the Marketplace application.

3. Employer name State Law Enforcement Bargaining Council		4. Employer Identification Number (EIN) 36-3789851
5. Employer address PO Box 6729		6. Employer phone number (402) 489-2081
7. City Lincoln	8. State NE	9. ZIP code 68506
10. Who can we contact about employee health coverage at this job? Tara Johnson		
11. Phone number (if different from above)	12. Email address tjohnson@netroopers.org	

Here is some basic information about health coverage offered by this employer:

- As your employer, we offer a health plan to:

☒ All employees. Eligible employees are:

Full-Time State Troopers who work 120 hours in a 28 -day period. Full-Time Fire Marshal Inspectors who regularly work 30 hours in a 7-day period, Full-Time Marshall Investigators who regularly work 60 hours in a 14-Day period, Full-Time Conservation Officers who regularly work 120 hours in a 28-day period, and Full-Time Administrative Support designated b the Bargaining Council who regularly work 30 hours in a 5-day period.

☐ Some employees. Eligible employees are:

- With respect to dependents:

☒ We do offer coverage. Eligible dependents are:

Your legally recognized spouse, your child until the end of the month in which he/she attains age 26, your child age 26 or older who meets incapacitated child requirements, and any child for whom you are required to provide health coverage due to a Qualified Medical Child Support Order.

☐ We do not offer coverage.

☐ If checked, this coverage meets the minimum value standard, and the cost of this coverage to you is intended to be affordable, based on employee wages.

**** Even if your employer intends your coverage to be affordable, you may still be eligible for a premium discount through the Marketplace. The Marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee or you work on a commission basis), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount.**

If you decide to shop for coverage in the Marketplace, **HealthCare.gov** will guide you through the process. Here's the employer information you'll enter when you visit **HealthCare.gov** to find out if you can get a tax credit to lower your monthly premiums.

Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2022. Contact your State for more information on eligibility –

MEDICARE PART D NOTICE

Important Notice from State Law Enforcement Bargaining Council About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with State Law Enforcement Bargaining Council and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice. If neither you nor any of your dependents are eligible for or have Medicare, this notice does not apply to you or the dependents, as the case may be. However, you should still keep a copy of this notice in the event you or a dependent should qualify for coverage under Medicare in the future. Please note, however, that later notices might supersede this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. Magellan Rx has determined that the prescription drug coverage offered by the State Law Enforcement Bargaining Council Employee Benefit Plan is on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current coverage will not be affected. If you do decide to join a Medicare drug plan and drop your current coverage, you and your dependents will be able to get this coverage back at the next annual open enrollment period.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with State Law Enforcement Bargaining Council and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

MEDICARE PART D NOTICE – NON-CREDITABLE COVERAGE

Important Notice from State Law Enforcement Bargaining Council About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with State Law Enforcement Bargaining Council and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice. If neither you nor any of your dependents are eligible for or have Medicare, this notice does not apply to you or the dependents, as the case may be. However, you should still keep a copy of this notice in the event you or a dependent should qualify for coverage under Medicare in the future. Please note, however, that later notices might supersede this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. Magellan Rx has determined that the prescription drug coverage offered by the State Law Enforcement Bargaining Council Benefit Plan is on average for all plan participants, NOT expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Non-Creditable Coverage. This is important because, most likely, you will get more help with your drug costs if you join a Medicare drug plan, than if you only have prescription drug coverage from the State Law Enforcement Bargaining Council Benefit Plan. This also is important because it may mean that you may pay a higher premium (a penalty) if you do not join a Medicare drug plan when you first become eligible.
3. You can keep your current coverage from State Law Enforcement Bargaining Council Benefit Plan. However, because your coverage is non-creditable, you have decisions to make about Medicare prescription drug coverage that may affect how much you pay for that coverage, depending on if and when you join a drug plan. When you make your decision, you should compare your current coverage, including what drugs are covered, with the coverage and cost of the plans offering Medicare prescription drug coverage in your area. Read this notice carefully - it explains your options.
