INSTRUCTIONS

For the convenience of people in the Military and those who purchase vehicles out of state, but retain Nebraska as their legal residence, an out of state inspection form has been designed. The inspection of the vehicle must be conducted by an officer of a state police agency of another state and mailed to the Nebraska State Patrol along with a $10.00 processing fee for final approval.

Upon approval by the Superintendent of the Nebraska State Patrol, the customer may obtain title in the State of Nebraska, provided the necessary evidence of ownership to the vehicle accompanies this inspection certification. This inspection shall be conducted on used vehicles titled in another state, which have been assigned to a Nebraska resident. This does not apply to vehicles purchased new when transfer is made on a manufacturer's certificate of origin.
