

CUSTOMER NOTICE

The NSP Crime Laboratory shall have discretion over:

1. The selection of testing methods
2. The totality of the analysis
3. The items that are selected for testing

Submission of evidence relinquishes all decisions regarding analytical processing and choice of methods to the NSP Crime Laboratory.

Unless otherwise indicated in a NSP Crime Laboratory report, all items of evidence will be returned to the submitting agency upon completion of analysis.

A handwritten signature in blue ink that reads "Pam Zilly".

Pam Zilly
Laboratory Director
