Title VI of the Civil Rights Act of 1964, and the rules promulgated in 49 CFR Part 21, and 49 CFR Part 303, protects individuals, groups and organizations from discrimination on the basis of race, color or national origin in all programs and activities. The policy of the NSP is to ensure that no person or group of persons shall, on the grounds of race, color, national origin, sex, age, disability, including low income or LEP, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity administered by the Division, in accordance with the Title VI Program Assurances set forth in Part II.

The preceding statutory and regulatory cites hereinafter are referred to as the “Acts” and “Regulations,” respectively.

Although not applicable to Recipients directly, there are certain Executive Orders and relevant guidance that direct action by Federal agencies regarding their federally assisted programs and

activities to which compliance is required by Recipients to ensure Federal agencies carry out their responsibilities. Executive Order 12898, 3 C.F.R. 859 (1995), entitled “Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations” emphasizes that Federal agencies should use existing laws to achieve Environmental Justice, in particular Title VI, to ensure nondiscrimination against minority populations. Recipients should be aware that certain Title VI matters raise Environmental Justice concerns and FHWA intends that all Recipients evaluate and revise existing procedures (as appropriate) to address and implement Environmental Justice considerations. See the following FHWA website for more information and facts about Environmental Justice: <http://www.fhwa.dot.gov/environment/ejustice/facts/index.htm>;

Additionally, Executive Order 13166, 3 C.F.R. 289 (2001) on Limited English Proficiency, according to the U.S. Department of Justice in its Policy Guidance Document dated August 16, 2000 (65 Fed. Reg. at 50123), clarifies the responsibilities associated with the “*application of Title VI’s prohibition on national origin discrimination when information is provided only in English to persons with limited English proficiency.*” When receiving Federal funds Recipients are expected to conduct a Four-Factor Analysis to prevent discrimination based on National Origin. (See also U.S. DOT’s “*Policy Guidance Concerning Recipients’ Responsibilities to Limited English Proficient (LEP) Persons,*” dated December 14, 2005, (70 Fed. Reg. at 74087 to 74100); the Guidance is a useful resource when performing a Four-Factor Analysis).

General Assurances

In accordance with the Acts, the Regulations, and other pertinent directives, circulars, policy, memoranda, and/or guidance, the Recipient hereby gives assurance that it will promptly take any measures necessary to ensure that:

“No person in the United States shall, on the grounds of race, color, national origin, sex, age, disability, low-income, or LEP be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity for which the Recipient receives Federal financial assistance from DOT, including the FMCSA.”

The Civil Rights Restoration Act of 1987 clarified the original intent of Congress, with respect to Title VI and other Non-discrimination requirements (The Age Discrimination Act of 1975, and Section 504 of the Rehabilitation Act of 1973) by restoring the broad, institutional-wide scope and coverage of these non-discrimination statutes and requirements to include all programs and activities of the Recipient, so long as any portion of the program is Federally-assisted.

Specific Assurances

More specifically, and without limiting the above general Assurances, the Recipient agrees with and gives the following Assurances with respect to its Federally assisted **FMCSA Program**:

1. The Recipient agrees that each “activity,” “facility,” or “program,” as defined in §§ 21.23 (b) and 21.23 (e) of 49 C.F.R. § 21 will be (with regard to an “activity”) facilitated, or will be (with regard to a “facility”) operated, or will be (with regard to a “program”) conducted in compliance with all requirements imposed by, or pursuant to the Acts and the Regulations;

2. The Recipient will insert the following notification in all solicitations for bids, Requests For Proposals for work, or material subject to the Acts and the Regulations made in connection with all Federal Motor Carrier Safety Programs and, in adapted form, in all proposals for negotiated agreements regardless of funding source:

“The Nebraska State Patrol , in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 U.S.C. §§ 2000d to 2000d-4) and the Regulations, hereby notifies all bidders that it will affirmatively ensure that any contract entered into pursuant to this advertisement, all contractors will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of the owner’s race, color, national origin, sex, age, disability, income-level, or LEP in consideration for an award.”;

3. The Recipient will insert the clauses of Appendix A and E of this Assurance in every contract or agreement subject to the Acts and the Regulations;
4. The Recipient will insert the clauses of Appendix B of this Assurance, as a covenant running with the land, in any deed from the United States effecting or recording a transfer of real property, structures, use, or improvements thereon or interest therein to a Recipient;
5. That where the Recipient receives Federal financial assistance to construct a facility, or part of a facility, the Assurance will extend to the entire facility and facilities operated in connection therewith;
6. That where the Recipient receives Federal financial assistance in the form, or for the acquisition of real property or an interest in real property, the Assurance will extend to rights to space on, over, or under such property;
7. That the Recipient will include the clauses set forth in Appendix C and Appendix D of this Assurance, as a covenant running with the land, in any future deeds, leases, licenses, permits, or similar instruments entered into by the Recipient with other parties:
 - a. for the subsequent transfer of real property acquired or improved under the applicable activity, project, or program; and
 - b. for the construction or use of, or access to, space on, over, or under real property acquired or improved under the applicable activity, project, or program.

That this Assurance obligates the Recipient for the period during which Federal financial assistance is extended to the program, except where the Federal financial assistance is to provide, or is in the form of, personal property, or real property, or interest therein, or structures or improvements thereon, in which case the Assurance obligates the Recipient, or any transferee for the longer of the following periods:
 - a. the period during which the property is used for a purpose for which the Federal financial assistance is extended, or for another purpose involving the provision of similar services or benefits; or

- b. the period during which the Recipient retains ownership or possession of the property.
9. The Recipient will provide for such methods of administration for the program as are found by the Secretary of Transportation or the official to whom he/she delegates specific authority to give reasonable guarantee that it, other recipients, sub-recipients, sub-grantees, contractors, subcontractors, consultants, transferees, successors in interest, and other participants of Federal financial assistance under such program will comply with all requirements imposed or pursuant to the Acts, the Regulations, and this Assurance.
10. The Recipient agrees that the United States has a right to seek judicial enforcement with regard to any matter arising under the Acts, the Regulations, and this Assurance.

By signing this ASSURANCE, the Nebraska State Patrol also agrees to comply (and require any sub-recipients, sub-grantees, contractors, successors, transferees, and/or assignees to comply) with all applicable provisions governing the **FMCSA** access to records, accounts, documents, information, facilities, and staff. The Nebraska State Patrol recognizes that they must comply with any program or compliance reviews, and/or complaint investigations conducted by the **FMCSA**. The Nebraska State Patrol must keep records, reports, and submit the material for review upon request to **FMCSA**, or its designee in a timely, complete, and accurate way. Additionally, the Nebraska State Patrol must comply with all other reporting, data collection, and evaluation requirements, as prescribed by law or detailed in program guidance.

The Nebraska State Patrol gives this ASSURANCE in consideration of and for obtaining any Federal grants, loans, contracts, agreements, property, and/or discounts, or other Federal-aid and Federal financial assistance extended after the date hereof to the recipients by the Department of Transportation under the **FMCSA Program**. This ASSURANCE is binding on Nebraska, other recipients, sub-recipients, sub-grantees, contractors, subcontractors and their subcontractors', transferees, successors in interest, and any other participants in the **FMCSA Program**. The person (s) signing below is authorized to sign this ASSURANCE on behalf of the Recipient.

Part III. Description of Federal-Aid Programs

The Nebraska State Patrol (NSP) is the regulatory agency tasked with the enforcement of laws, rules, and regulations pertaining to intrastate and interstate motor carriers. The NSP receives federal funding assistance from the Federal Motor Carrier Safety Administration (FMCSA) through the Motor Carrier Safety Assistance Program (MCSAP). The MCSAP program provides federal funds to assist states in the enforcement of federal regulations pertaining to motor carriers, drivers of commercial motor vehicles, and equipment requirements of commercial motor vehicles.

NSP also receives federal funds under the New Entrant Safety Assurance program from FMCSA. This program reviews regulations with new motor carrier companies to assure future compliance with carrier management regulations. The NSP serves the general populace of Nebraska and the United States by virtue of regulating interstate motor carriers by providing public safety services. Since the NSP is a public safety provider, all majority and minority groups are beneficiaries of the program. There are no direct benefit programs administered by the NSP.

Part IV. Notification to Beneficiaries/Participants

Title VI information will be posted at all NSP facilities in public common areas. The posted information will include statements that the program operates without regard to race, color, national origin, sex, age, or disability, including income-level and English language proficiency. The posted information will include contact information for the Title VI program coordinator to include mailing address, phone number, and email address. It will also include procedures to request the Agency's Nondiscrimination obligations and identify procedures for the members of the public to file a complaint against the Agency.

The same information is available on the NSP website at <https://statepatrol.nebraska.gov>.

Reports regarding Title VI activities and complaints will be made available by request from the Title VI Program Coordinator.

Part V. Sub-Recipient Compliance Reports

The Nebraska State Patrol sub-awards funds received by the Federal Motor Carrier Safety Administration, Commercial Vehicle Information System Network (CVISN) program to the Nebraska Department of Motor Vehicles (DMV). As a State of Nebraska agency, the DMV is held to the same standards as the Nebraska State Patrol. By acceptance of the sub-award, the DMV certifies their compliance with the Title VI Program

Part VI. Training

The Title VI Program Coordinator of the Nebraska State Patrol will train necessary staff through annual in-service trainings and/or policy updates.

Part VII. Access to Records

All records regarding Title VI activities will be collected and maintained at the State Headquarters of the Nebraska State Patrol. These records will be made available to FMCSA officials in person upon request or reports will be transmitted by computer file.

Part VIII. Complaint Disposition Process

1. The Title VI Program Coordinator will make himself/herself known to all office and program managers within the NSP and, with the assistance of these managers, will attempt to resolve all Civil Rights complaints arising from NSP activities.

2. In addition, the Title VI Program Coordinator will make periodic visits to any locations and/or areas determined to be problematic in an attempt to alleviate any problems in advance of a complaint.

A. The Nebraska State Patrol shall follow all written Policies and Procedures concerning the process in providing a formal process in which person(s) may

communicate complaints and grievances against the Nebraska State Patrol and or its employees to the agency and receive a response to their concerns from the agency. (Nebraska State Patrol Policy 03-19 and 03-18). These policies are available upon request.

3. The NSP, acting through the Title VI Program Coordinator, will expedite all discrimination complaints filed by individuals, business, group or institution. Information regarding the complaint process will be provided through Division publications, NSP program activities, and individual personal contact with persons affected by NSP activities.

4. A log of all complaints and investigations will be kept. The log will identify the race, color, sex, national origin, age, disability, including low income or LEP, of the individual making the complaint; recipient of the complaint; date filed; investigation completion date; disposition and other pertinent information.

**Part IX. Status of Corrective Actions Implemented by Applicant to Address Deficiencies
Previously Identified During a Title VI Program Compliance Review**
